

Clermont County Juvenile Detention Center was opened in 2004. The 22,800 square-foot facility provides a 36 cell, secure facility for youth. The facility holds youth who have been adjudicated delinquent or who are awaiting further hearings. This facility was a \$6 Million dollar project.

The facility was completed in cooperation with Brown County Juvenile Court who utilizes three beds in the facility.

In addition, the facility has space for programs designed to reduce the delinquent behaviors of these youth.
